Re: **T-NETIX, Telecommunications Services, Inc.
Cancellation of Certificate of Public Convenience and Necessity and
South Carolina Tariff No. 2**

Dear Ms. Boyd:

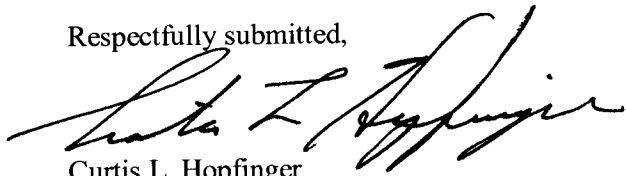

An original and two (2) copies of this letter is hereby filed to advise the Public Service Commission of South Carolina ("Commission") that T-NETIX Telecommunications Services, Inc. ("T-NETIX Telecom") hereby requests cancellation of its Certificate of Public Convenience and Necessity ("CCN") for the provision of inmate telecommunications services within the State of South Carolina and withdrawal of its tariff, South Carolina Tariff No. 2.

T-NETIX Telecommunications Services, Inc. (formerly Gateway Technologies, Inc.) received its authority to provide inmate telecommunications services within the State of South Carolina in Docket No. 94-106-C, Order No. 94-883 effective September 2, 1994.

T-NETIX Telecom no longer serves any customers in the State of South Carolina and, as such, is not providing service in the State. Therefore, the cancellation of the CCN will not affect any customers. T-NETIX Telecom is current with all Commission reporting, assessments and fees. Given the aforementioned facts, T-NETIX Telecom respectfully requests that its CCN and the associated tariff, South Carolina Tariff No. 2, are cancelled at the Commission's earliest convenience.

T-NETIX Telecom sincerely appreciates your attention to this matter. Please acknowledge receipt of this filing by date stamping the enclosed additional copy of this letter and returning it in the pre-addressed postage-paid envelope provided. If there are any questions regarding this matter, please direct them to Debbie Conde, Sr. Regulatory Analyst at (972) 277-0395 or dconde@securustech.net

Respectfully submitted,
